NO DOGS ALLOWED

I have notice, plus it has been pointed out to me by others, that people are bringing their dog(s) into the athletics track. Those who are doing so must stop this practice immediately.

There are to be no dogs within the fenced area of the track at any stage, let alone on competition days or at training.

IGA PATCHES

I know this is starting to get boring but parents need to be more vigilant with their little athletes to make sure they have packed their registration patch and that they wear it.

PARENT DUTY – Check our website under the home page link Parent Duty Rosters for the full three week duty cycle.

Always check the duty roster as there may from time to time be additions or possible changes due to families registering new or returning athletes after the season has commenced.

RELAYS – The Box Hill Relay Day is fast approaching and those who have entered will be receiving information from their Relay Manager as to the composition of teams. Also remember parents of athletes competing must also fulfil a duty at some stage over the course of the day.

Even if you don't have a child competing but you would like to contribute with any level of assistance please contact our Team Manager **Jan Fitzgerald**. See Jan at the track this Saturday or contact her on **janfitzgerald@acomp.com.au**

If you have left it to late to enter, you never know, ask your age group Relay Manager if there are any relay vacancies. There is still time to get your name down for Region Relay but you would need to act this Saturday.

Box Hill Invitation Relay Day	Sunday, November 13 (Doncaster)
Regional Relay Championships	Sunday, December 11 (Knox)
State Relay Championships*	Saturday January 28 (Albert Park)

(* only teams that qualify at Region compete in the State finals)

UNI FORMS – Those competing at the Box Hill Relay Day need to wear have the Box Hill uniform. Uniforms are available for sale from Carol Taylor-Brown and will be so this Saturday and also the following Friday that is our first Twilight meeting with the relay day on that Sunday.

POSITIONS VACANT-

Were looking to fill two important roles. If you or you know of someone that may be interested I would be happy to take down their details.

1. Grants Monitor

This role entails someone who is organised and has the experience and/or acumen to canvass newspapers and government or corporate websites in respect to grants on offer to sporting clubs or organisations. This is a non-committee role and your brief is to flag grants on offer and to initiate or assist with lodging applications for such. If this is something that you would like to get involved with please contact Alan on 0414 366 827

2. General Handyman/Cleaning

We are seeking an individual or small business that would like to offer their services in respect to undertaking general cleaning duties at Hagenauer's Reserve. It would at this stage involve generally tidy up of the track including cleaning and arranging bins for collection, cleaning of the toilets, gym, changeroom plus restocking of consumables and general tidying up the track and environs such as around the jump pits, marking sector lines on the grassed area when needed etc.

This will be a paid position and is negotiable as a rate per hour or a flat fee arrangement. If interested and you would like more detail please contact Alan on 0414 366 827.

CRYSTAL CREEK COACHING CAMPS
